Work Experience

08/2020 - 12/2020

09/2019 - 06/2020

From 2019

06/2019 - 09/2019

2016-2020

03/2016 - 09/2016

Web development: developed a garage management system for Sudden Impact Auto care during my period as an attaché at the company.

Developed an agricultural information hub as my final year project in my course program.

Designed several corporate logos, example, for Apala Fish and Chips and also for Sudden Impact Auto care.

I have worked with Balozi Training Institute college for three months as computer packages tutor.

Computer repairs and maintenances for student in the university while studying.

A one-year experience in panel beating.

Customer caring and receptionist as an M-pesa agent for six months.

Career Objectives

To establish a good relation and serve in a conducive environment to meet the set goals. To employ my skills for the good will of the employer and affirm my loyalty to the company/organization as well. Adjectively; hardwork, positivity and agility explain me as far as commitment to my career is concerned.

Hobbies

Gaming, Coding, Creative writing, Exploring (yearn to learn more), Deejaying, and Listening to music.
